

# Vanilla Iced Coffee

Total Time:

Portions: 2-2 Portions

## Ingredients

### Ingredients

**300 ml** Hot black coffee

**200 g** Ice as needed

**2 tsp** Taylor & Colledge Vanilla Bean Extract

**100 ml** Milk

**1 g** Caster Sugar to taste

## Preparation

1. Brew fresh coffee using your favorite coffee beans. Allow the coffee to cool down to room temperature before proceeding to the next step.
2. Fill two glasses with ice cubes and pour 150ml of the cooled coffee into each glass. Add 1 tablespoon of Taylor & Colledge Vanilla Bean Extract to each glass, stirring gently to blend the flavours.
3. Add 50ml of milk to each glass.
4. Taste your iced coffee and adjust sweetness by adding sugar if desired. Serve immediately with a straw and enjoy your refreshing Vanilla Iced Coffee.
